LATIN GRAMMAR.
CHEEVER'S Latin Accidence. This ancient elementary work for beginners in the study of the Latin Language, having been carefully revised and corrected, is just published. It was originally compiled by Michael Cheever, a celebrated instructor of Latin for seventy years—the first master in the public Latin school in Boston. The little manual was used in the schools in this country for upwards of a century previous to the revolution; during which time it has passed through more than twenty editions. It exhibits in the plainest manner the general construction of the language, and furnishes easy and concise rules for resolving its difficulties and peculiarities, and is considered the best book for beginners ever used in America. For sale by the principal booksellers in the United States. The following are agents from whom other booksellers can be supplied:—
Benjamin H. Greene, 124 Washington street, Boston; Mass.; Colman & Chisholm, Portland, Me.; Marsh, Capen & Lyon, Concord, N. H.; E. F. Walton & Son, Montpelier, Vt.; Canfield & Robins, Hartford, Conn.; Sherman & Trevel, Fulton street, New York; W. C. Little, Albany, N. Y.; Smith & Palmer, Richmond, Va.; T. H. & J. C. Plant, Augusta, Geo.; W. H. Peckoe & Co. Natchez, Miss.; Alexander Finch, Cincinnati, Ohio.
